

## **PRODUCT INFORMATION SHEET**

### **CarPlan Trade Valet Super TFR**

#### **Description:**

CarPlan Trade Valet Super TFR is a super strength product that removes stubborn dirt, baked on dust, grease and oil. For use on the bodywork of all vehicles and chassis. Suitable via an application sprayer or jet washer.

#### **Directions For Use:**

##### **To Hand Wash:**

Add Super TFR to our specially designed application sprayer, for ease of use dilute 1:50 (2%). Spray directly onto heavy soils and stains on any heavy grime. Allow the product to dissolve soils and stains for up to 5 minutes. Agitate heavy stains with a brush, sponge or cloth. Rinse using cold water. Repeat process if more cleaning needed. Then wash the vehicle as normal with Hi-Foam Wash for a sparkling shine.

##### **To Jet Wash:**

Add Super TFR to the detergent section of your jet washer. Spray directly onto heavy soils and stains or any heavy grime. Allow the product to dissolve soils and stains for up to 5 minutes. Agitate with a jet washer attachment brush. Agitate heavy stains with a brush, sponge or cloth. Rinse off with plenty of clean water. Rotate wheel and repeat process, if extra cleaning needed.
